### **Old Business**

Discussed a previous suggestion for creating a position of dock inspector. Dave gave a report explaining his suggestion of having a committee of volunteer inspectors. He noted that a group of volunteers and two commissioners inspected for October and it went very well. It was agreed to accept Dave's plan on a one year trial. A thank you was extended to Dave and the volunteers. The committee consists of Dave Hirsch, Rick Gaczewski, Richard Malter, Mike Holmes, and Bill Witkopf.

Upon motion by Rick, Wayne Hawley will be contacted regarding internet hook-up.

Discussed obtaining the dedication sign for the park and taking measurements.

Discussed policy regarding license transfers and dock inspections. Rick stated people need to be present at the meetings when they have a request on the agenda. He stated they often don't understand District policy. Upon motion by Rick, a change was approved requiring the parties or

a representative be present at meetings when they have a request pending. Rick will draw up the language.

John Bemhard addressed the board concerning the Trail 4 Community Dock construction plans. John noted he will restore the break wall to the original dimensions. A meeting is to take place October 20 and Mr. Bemhard is to call Rick regarding the time and place to meet.

Carol Wilson asked about reconfiguring the dock plans previously approved to accommodate a 17' boat on the end. The board agreed they must stay with the configuration agreed upon.

Discussed holding the budget hearing at the school. **Rhonda** is to check with Carlos Gildemeister.

Approved the 2008 meeting schedule upon motion by Gene. The months that contain two meetings will contain on regular meeting and one work session meeting for committees.

### **New Business**

Bill Witkopf explained the subdividing of the Penfold property. He noted there will be 8 backlots and 5 front lots and dock designs will be submitted before building.

Rhonda was asked to send the inspection paperwork to all committee members.

### **Finance**

Discussed contacting Senator Young regarding grant monies. Bill Szabo noted the report to the state was understated by \$1500. Because the town of Caneadea did not send the agreed upon amount.

Upon motion by Rick, the 2008 budget was approved as presented.

### **Open Forum**

Ed Schmidbauer stated he felt requiring presence at meetings for requests is a good idea.

Moved to executive session to discuss personnel upon motion by Bill Sikorski at 9:03 PM. Returned to regular session at 9:40 PM upon motion by Gene.

Rick made a motion that as a board they have determined no need to hire additional help at this time to assist with the dam work. Dave made the second. Carried.

Upon motion by Bill, approval was given to rehire Hi-Tech Construction to continue repointing

**another 60 feet of the dam.**

**Upon motion by Rick, approval was given to purchase software for water monitoring equipment at approximately \$1 60.00.**
